

MISS SAIGON – Audition for the only Children’s part on Monday 4 June 2018

In the last days of the Vietnam War, 17-year-old Kim is forced to work in a Saigon bar run by a notorious character known as the Engineer. There she meets and falls in love with an American GI named Chris but they are torn apart by the fall of Saigon.

For 3 years Kim goes on an epic journey of survival to find her way back to Chris, who has no idea he's fathered a son...
